COMPANY OVERVIEW

At Festnikk Global, we specialize in providing end-to-end logistics solutions that drive efficiency, reduce costs, and ensure compliance. As a trusted Freight Broker, Customs Compliance Specialist, Last-Mile Delivery Provider and Government Contractor, we tailor our services to meet the needs of businesses and government agencies across industries. Our Cryogenics Tanker Dispatch Service adds a specialized layer of expertise, ensuring the safe, regulated transport of temperature-sensitive materials.

OUR MISSION

At Festnikk Global, we are committed to:

Delivering seamless logistics solutions that drive efficiency and reduce costs. Ensuring compliance with industry and regulatory standards to eliminate risks. Providing top-tier customer service, with 24/7 tracking and support.

Innovating and optimizing transportation logistics to help businesses and agencies scale. We believe logistics isn't just about moving freight; it's about moving businesses forward with precision and reliability

423450, 624230, 484110, 484121, 492110

DIFFERENTIATORS

-  **Proven Government Experience:** Successful track record supporting federal, state, and local agencies with mission-critical logistics solutions.
-  **Specialized Transport Capabilities:** Expertise in handling sensitive and regulated cargo, including cryogenic tanker dispatch and temperature-controlled logistics.
-  **Regulatory Compliance Expertise:** Strong knowledge of U.S. Customs and international trade regulations, ensuring smooth and compliant operations.
-  **Technology-Driven Operations:** Advanced logistics technology for real-time tracking, route optimization, and supply chain visibility.
-  **Cost-Effective Solutions:** Focused on improving efficiency and reducing operational costs without compromising quality or timeliness.
-  **Customer-Centric Approach:** Tailored services designed to meet specific client missions, with dedicated support and responsive communication.
-  **Diverse Industry Reach:** Ability to serve multiple sectors including government, healthcare, retail, e-commerce, manufacturing, and import/export.
-  **Commitment to Excellence:** Minority-owned business built on integrity, reliability, and innovation, ensuring clients receive the highest level of service.

PAST PERFORMANCE

FEMA (Houston, TX): Supported emergency management teams during natural disasters by providing logistics and transportation services—rapidly delivering essential supplies, coordinating relief shipments, and offering on-the-ground support to ensure timely aid.

Sunrun: Completed 630 orders, delivering solar panels and batteries with efficiency, accuracy, and safety to help meet customer targets.

Sherwin-Williams: Fulfilled 741+ paint orders to construction sites, ensuring timely delivery and supporting project deadlines
